

Call for Papers

22nd International Enamel Congress

Cologne 3rd – 7th June 2012.

The Informations-und Bildungszentrum Email e.V. has been appointed by the Deutscher Email Verband e.V. (German Enamel Association) to organise this important worldwide congress for the enamel industry.

The 22nd International Enamel Congress will take place under the auspices of the International Enamellers Institute (IEI).

Technical academic lectures will be held in the course of the congress. These will be complemented by an accompanying poster session.

Within the framework of the offered factory tours participants will have the opportunity to view leading companies in the enamel industry.

Technical lecture core themes for the lecture programme are:

1. Substrates
2. Enamels/raw materials
3. Processing technology
4. Plant technology
5. Examples of use
6. Products and markets
7. Economics and ecology
8. Standardisation

The closing date for lecture applications is 01.04.2011. Proposed seminar papers or posters must include the following:

- ▶ The author's FULL name, company/university, address, telephone/fax/e-mail
- ▶ Title of the seminar paper/poster including a summary in both German and English (outline of the content, max. 100 words)
- ▶ The core theme of the lecture (numbers 1-7)

Deadlines:

- ▶ Preliminary examination by the German Enamel Association's technical committee in May 2011
- ▶ Examination and confirmation of acceptance by an international committee for papers (composed of 1 delegate per country) in May 2011
- ▶ Submission of the complete manuscript by 31.10. 2011 in German or English and by 31.12. 2011 in the three further languages

Lectures by company employees are to be submitted in the congress languages English, German, Italian and French. University employees should submit their lectures in two of the congress languages. Lectures are to be held in German or English. There will be simultaneous translation between these languages. Each participant however will receive all lectures in printed form in one of the congress languages.

Please send lecture applications and suggestions for posters to:
